Introduction

This directory has been compiled to provide information for people who identify as lesbian, gay, bisexual, transgender, queer, intersex, asexual and including all minority sexual and gender identities, as well as atypical biological sex (LGBTQIA+). Published 2018. All information in this directory has been provided by the respective support service groups and delivered in this support directory through the combined efforts of Advance Diversity Services, Kogarah Community Services, St George Youth Services and Georges River Council.
